come lampadari, come luce, come lusso  
like light, like luxury, like lively

Barovier&Toso: il vetro di Murano e la sua cultura. Un fatto del tempo, più di settecento anni, un fatto del nome, due famiglie che lavorano già nel rinascimento, un fatto unico nel suo genere. Il vetro non è vetro, quando si alleggerisce, si addolcisce d'aria, si gonfia di colore e prende la luce: da quel momento, dalle tecniche dell'artigiano che lo ha scoperto, è vetro di Murano, vetro di Barovier&Toso. E il vetro di Murano, con la sua cultura e la sua tradizione, si impone come protagonista di forme, come veicolo di luce. Vetro e luce si sovrappongono, si fondono, si dispiegano in processi di illuminazione piena o totale. La fusione è armoniosa, e raggiunge una dimensione ottimale, avvalorata dal segno dell'esperienza di sempre e dalle idee innovative di importanti designer. Settecento anni di storia, il vetro di Murano, il design d'autore: una perfetta integrazione che dà vita alle collezioni Barovier&Toso.

Barovier&Toso means Murano glass and its history. It means time, more than 700 years, and it means name, that of two families who were already working together during the Renaissance. It means something that is unique of its kind. A gentle breath of air, a touch of color and glass is no longer just glass. During its making, it transmutes into a lighter substance, it takes on new dimensions. From that moment, the ingenuity of the craftsmanship that goes into its creation identifies the glass as that of Barovier&Toso. Murano glass, with its culture and tradition, is an established leader of forms as vehicles of light. Glass and light mingle, merge and unfold into processes of full, total illumination. This harmonious fusion has attained a pitch of excellence backed by the style and experience of centuries and by the innovative ideas of famous designers. Seven centuries of history, Murano glass, designers: a perfect integration generating Barovier&Toso's collections.
