Chiringato, sistema modular de barras de bar fabricadas con estructura de aluminio anodizado, sobres de polietileno y laterales de metacrilato alveolar SDP.

Chiringato, modular system of bar counters consisting of an anodized aluminium frame, polyethylene tops and sidewalls made of alveolar methacrylate SDP.

El sistema modular Chiringato está pensado para construir barras de bar a medida, con y sin estante interior utilizables tanto en exterior como en interior: beach clubs, chiringuitos, hoteles, fiestas privadas... Es perfectamente compatible con nuestro SISTEMA MÓDULO, así como con nuestras colecciones Complementos Exterior, Espacios Exteriores, Na Xemena y Saler. Para medidas especiales consulte con nuestro Departamento Técnico.

The Chiringato modular system has been designed to build made-to-measure bar counters, with and without inner shelves, which can be used both indoors and outdoors: beach clubs, refreshment stands, hotels, private parties... It is perfectly well compatible with our MODULO SYSTEM, as well as with our collections Outdoor Accessories, Outdoor Spaces, Na Xemena and Saler. Please ask our Technical Department for special sizes.
